

All on Board for Children Learning Community

Webinar

How Tax Policy Is Linked to Quality Early Care and Education

Insight Center for Community Economic Development

April 22, 2008

INSIGHT CENTER FOR COMMUNITY ECONOMIC DEVELOPMENT

(Formerly the National Economic Development and Law Center)

- Who we are:** Insight Center is a 39 year old national research, consulting and legal non-profit organization
- Our Mission:** Helping vulnerable people and communities become, and remain, economically secure
- How we work:** We partner with a diverse range of colleagues to develop innovative strategies and programs that result in systemic change
- Focus Areas:** Early care and education
Building community, communal, and individual financial assets
Workforce Development

www.insightccd.org

All on Board for Children Initiative (ABC)

Funded by the W.K. Kellogg Foundation, The ABC Initiative has identified the following objectives to advance the early care and education (ECE) field:

1. Create and lead a national learning community
2. Help build state infrastructures
3. Develop an effective message strategy that lays the groundwork for a policy agenda
4. Develop state and national policy agendas

Webinar Instructions

Conference call line

- You are all muted to keep the ambient noise to a minimum. Presenters and respondents are not muted.
- If cut off, click Info tab at the top of your screen and use the call, session, and attendee info there

Technology problems or questions –

- Please call WebEx at 866-469-3239, and enter the “session number” which is 802-797-684

Questions/Comments on presentations:

- Type your question using Q&A function and select “All Panelists”. We will then un-mute you so that you can ask your question, then re-mute you
- If you did not log-on in the right sequence (i.e. computer then telephone), we will not be able to see your name when you type a question, thus if you submit a question it will be read aloud by the moderator or technical staff

Today's Webinar

GOAL: For participants to come away with the information, resources and insight needed to determine if embarking on a tax policy strategy in your state is the right course to take

PRESENTERS:

Louise Stoney: Co-founder of the Alliance for Early Childhood Finance, and a partner in the Linking Economic Development and Child Care Project.

Amy Matsui: Senior Counsel at the National Women's Law Center

Geoffrey Nagle: Assistant Professor of Psychiatry at Tulane University School of Medicine and the Director of the Tulane Institute of Infant and Early Childhood Mental Health.
